The task order shall include all necessary provisions including but not limited to setting forth the time for payment, deliverables, electronic and printed formats and any other items relevant to the task. The task order shall be signed by both parties prior to the CONSULTANT performing any of the agreed upon work.

2.4 This Agreement is a continuing contract and shall be effective on the first calendar day of the month succeeding approval of the Agreement by the Board of County Commissioners, or designee, unless otherwise stipulated by the COUNTY. The initial Agreement term shall be twelve (12) months, and then the Agreement shall remain in effect until completion of the expressed and/or implied warranty period. Agreement prices shall prevail for the full duration of the Agreement term unless otherwise indicated in this Agreement. Prior to, or upon completion of the initial term of this Agreement, the COUNTY shall have the option to renew this Agreement for two (2) additional one (1) year periods. The CONSULTANT shall maintain, for the entirety of the stated additional periods, the same prices, terms and conditions in this Agreement. Continuation of the Agreement beyond the initial period and any option subsequently exercised is a COUNTY prerogative and not a right of the CONSULTANT. This prerogative may be exercised only when such continuation is clearly in the best interest of the COUNTY.

2.5 The CONSULTANT shall coordinate, cooperate, and work with any other consultants retained by the COUNTY. CONSULTANT acknowledges that nothing herein shall be deemed to preclude the COUNTY from retaining the services of other persons or entities undertaking the same or similar services as those undertaken by the CONSULTANT or from independently developing or acquiring materials or programs that are similar to, or competitive with, the services provided under this Agreement.

2.6 CONSULTANT agrees that this shall be an open quantity contract. The COUNTY shall not guarantee to the CONSULTANT any minimum amount of work throughout the term of this Agreement. Furthermore, CONSULTANT agrees and acknowledges that in the event CONSULTANT cannot meet the COUNTY's specifications including but not limited to time for completion, cost for individual project etc., that the COUNTY reserves the sole right to offer the individual project to the COUNTY's alternate vendor(s).

2.7 Task orders issued under this Agreement shall not exceed the limits established in Section 287.055, Florida Statutes, for continuing contracts.

2.8 CONSULTANT shall be responsible for obtaining all required federal, state or local permits required to complete the project specific scope of work. Additionally, the CONSULTANT shall be responsible for the removal of all surplus material and debris occurring from this work if the materials or debris was generated as a result of the CONSULTANT's work. The CONSULTANT shall take precautions against damage to public and private property during the course of its work. Should damage occur, by negligent omission or commission by the CONSULTANT, the CONSULTANT shall, at its own expense, restore damaged property to a condition similar or equal to that existing before damage was done. In the event CONSULTANT fails to correct the damage, the COUNTY shall have the option of correcting the damage and issuing a deductive change order to the CONSULTANT to deduct the amount of the corrective work from the contract balance.

Article 3. Payment

3.1 Payment shall be based upon the hourly billing rates and miscellaneous expense costs set forth in the Fee Schedule attached hereto and incorporated herein as Exhibit A. The personnel needed for each individual project shall be determined once the CONSULTANT receives the Task Assignment Sheet. Upon reviewing the project specific scope of services, the CONSULTANT shall submit a list of specific tasks to be performed as part of the project, including any alternate tasks, and a detailed estimated cost sheet. A list of deliverables shall also be provided. The CONSULTANT and COUNTY hereby agree that the hours of service set forth in the cost sheet are projected hours of service and that the CONSULTANT's actual time may be more or less than the budgeted hours. If acceptable, the COUNTY shall pay the CONSULTANT only for the total fee agreed upon for each project.

3.2 Invoices shall be submitted in duplicate to the requesting COUNTY department at P.O. Box 7800, Tavares, Florida 32778. Each invoice shall contain the RSQ number and a detailed description of services and fees. The CONSULTANT shall keep a travel log indicating all dates of travel, purpose, and mileage.

3.3 The COUNTY shall make payment on all invoices in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes.

3.4 CONSULTANT shall submit invoices at the end of each project documenting the percent of completion of each task and requesting payment based upon such percent completion. Alternative billing arrangements may be negotiated on a per project basis, depending on the size and scope of the project, i.e., monthly billing. Alternative billing provisions shall be expressly stated in the task order authorizing the work.

3.5 Other than the common expenses, travel expenses, administrative and technical support expenses and computer expenses as set forth in Exhibit A, the CONSULTANT shall not be entitled to payment for any expenses, fees, or other costs it may incur at any time and in any connection with its performance hereunder. The CONSULTANT hereby agrees that its hourly billing rates are fully loaded and include all overhead and administrative expenses.

5.3 Subletting of Contract. This Agreement shall not be sublet except with the written consent of the COUNTY'S Procurement Services Director. No such consent shall be construed as making the COUNTY a party to the subcontract or subjecting the COUNTY to liability of any kind to any subcontractor. No subcontract shall under any circumstances relieve the CONSULTANT of liability and obligations under this Agreement and all transactions with the COUNTY must be through the CONSULTANT.

5.4 Insurance and Bond. CONSULTANT shall provide and maintain at all times during the term of this Agreement, without cost or expense to the COUNTY, policies of insurance in the following types and limits with a company or companies authorized to do business in the State of Florida and which are acceptable to the COUNTY, insuring CONSULTANT against any and all claims, demands or causes of action whatsoever, for injuries received or damage to property relating to the performance of duties, services, and/or obligations of the CONSULTANT under the terms and provisions of this Agreement. CONSULTANT shall not commence work under the Agreement until COUNTY has received an acceptable certificate or certificates of insurance evidencing conformance with the required insurance, which is as follows:

All self-insured retentions shall appear on the certificate(s) and shall be subject to approval by the COUNTY. At the option of the COUNTY, the insurer shall reduce or eliminate such self-insured retentions, or the CONSULTANT or subcontractor shall be required to procure a bond guaranteeing payment of losses and related claims expenses.

The COUNTY shall be exempt from, and in no way liable for, any sums of money, which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention shall be the sole responsibility of the CONSULTANT and/or subcontractor providing such insurance.

Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default.

Neither approval by the COUNTY of any insurance supplied by the CONSULTANT or subcontractor(s), nor a failure to disapprove that insurance, shall relieve the CONSULTANT or subcontractor(s) of full responsibility for liability, damages, and accidents as set forth herein.

CONSULTANT Liability Insurance policies shall be endorsed to add COUNTY as an additional insured for General Liability Insurance.

5.5 Indemnity. CONSULTANT shall indemnify and hold COUNTY and its agents, officers, commissioners or employees harmless for any damages resulting from failure of CONSULTANT to take out and maintain the above insurance. Additionally, CONSULTANT agrees for good and valuable consideration in the amount of ten dollars (\$10.00) to indemnify, and hold the Board of County Commissioners, Lake County, Florida, and its officers, commissioners, employees and agents free and harmless from and against any and all losses, penalties, damages, settlements, costs, charges, professional fees or other expenses or liabilities to the extent resulting from the negligent act, error or omission of CONSULTANT, its agents, employees or representatives, in the performance of CONSULTANT'S duties set forth in this Agreement.

5.6 Independent Contractor. CONSULTANT agrees that it shall be acting as an independent contractor and shall not be considered or deemed to be an agent, employee, joint venturer, or partner of COUNTY. CONSULTANT shall have no authority to contract for or bind COUNTY in any manner and shall not represent itself as an agent of COUNTY or as otherwise authorized to act for or on behalf of COUNTY. Additionally, CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for CONSULTANT to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm other than a bona fide employee working solely for CONSULTANT any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

The CONSULTANT expressly acknowledges and agrees that the CONSULTANT shall receive no damages for delay. The CONSULTANT'S sole remedy, if any, against the COUNTY shall be the right to seek an extension to the contract time. However, this provision shall not preclude recovery of damages by the CONSULTANT for hindrances or delays due solely to fraud, bad faith or active interference on the part of the COUNTY. Otherwise, CONSULTANT shall be entitled to extensions of the Contract Time as the sole and exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above.

5.10 Retaining Other Consultants. Nothing herein shall be deemed to preclude the COUNTY from retaining the services of other persons or entities undertaking the same or similar services as those undertaken by the CONSULTANT or from independently developing or acquiring materials or programs that are similar to, or competitive with, the services provided under this Agreement.

5.11 Accuracy. The CONSULTANT is responsible for the professional quality, technical accuracy, timely completion and coordination of all the services furnished hereunder.
